SERIES

THIERRY DEDIEU

2015 – 2022

280 X 380 MM – BOARD BOOKS – 12 PAGES – €14.50  
20 TITLES

RIGHTS SOLD: SIMPLIFIED CHINESE (4 TITLES)

Babies see contrasts, like books as tall as them, like the music of words, and need to listen to a variety of texts to develop their minds. So here is a series created just for their needs!

Multi-talented and awarded author and illustrator Thierry Dedieu has long worked to create the ideal series for toddlers, starting with three main remarks by specialists of this age group: toddlers don't see colours, they see contrasts, so they see black and white better. Toddlers like large books. Toddlers like the music of words, no matter what they refer to, reading to them will help develop their minds.

#### SELLING POINTS:

- A very soft picture book that will guide very young children in their discovery of the world.
- A first word board book.
- The dazzling graphic universe of Julia Spiers.

## A BIRD, A FLOWER

CÉCILE ROUMIGUIÈRE, ILL. BY JULIA SPIERS

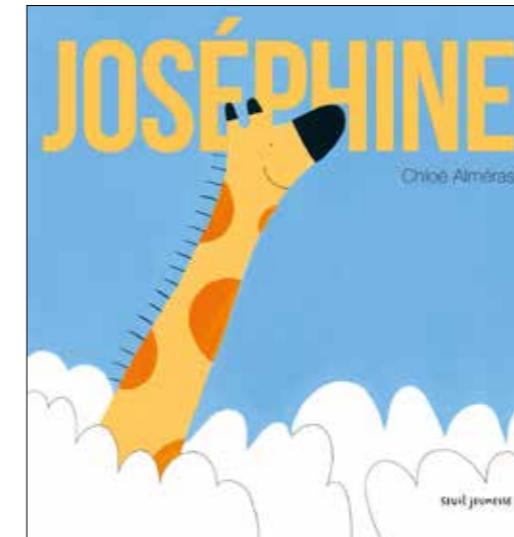

JUNE 2022

200 X 200 MM – BOARD BOOK – 28 PAGES – €13.50

**A first word board book to discover the world very gently.**

A bird, a flower. Two words, then others, colours, details... As the child awakens, the world gets wider, and everything fills with wonder. The forms and colours unfold as the pages go by and you could even believe, here and there, that you can hear the song of a bird or taste the crisp sourness of a cherry. This first word board book offers very young children a world to explore and to name - a world sublimated by the power of Julia Spiers's paintings.

#### SELLING POINTS:

- A board book with round corners that can easily be grabbed by small hands.
- A playful way to learn about simple things.
- An adorable animal that will become a guide for toddlers.

## JOSEPHINE

CHLOÉ ALMÉRAS

JANUARY 2022

150 X 150 MM – BOARD BOOK WITH ROUND CORNERS – 24 PAGES – €10.50

**RIGHTS SOLD:** DANISH, ITALIAN

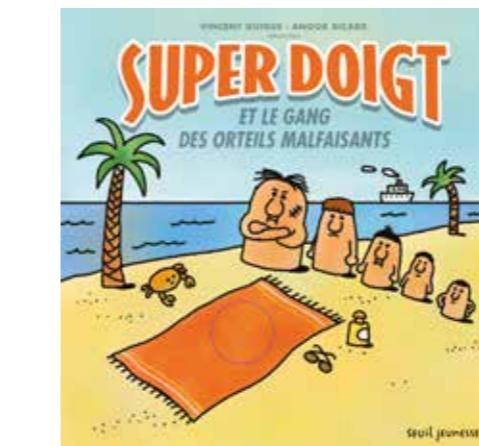

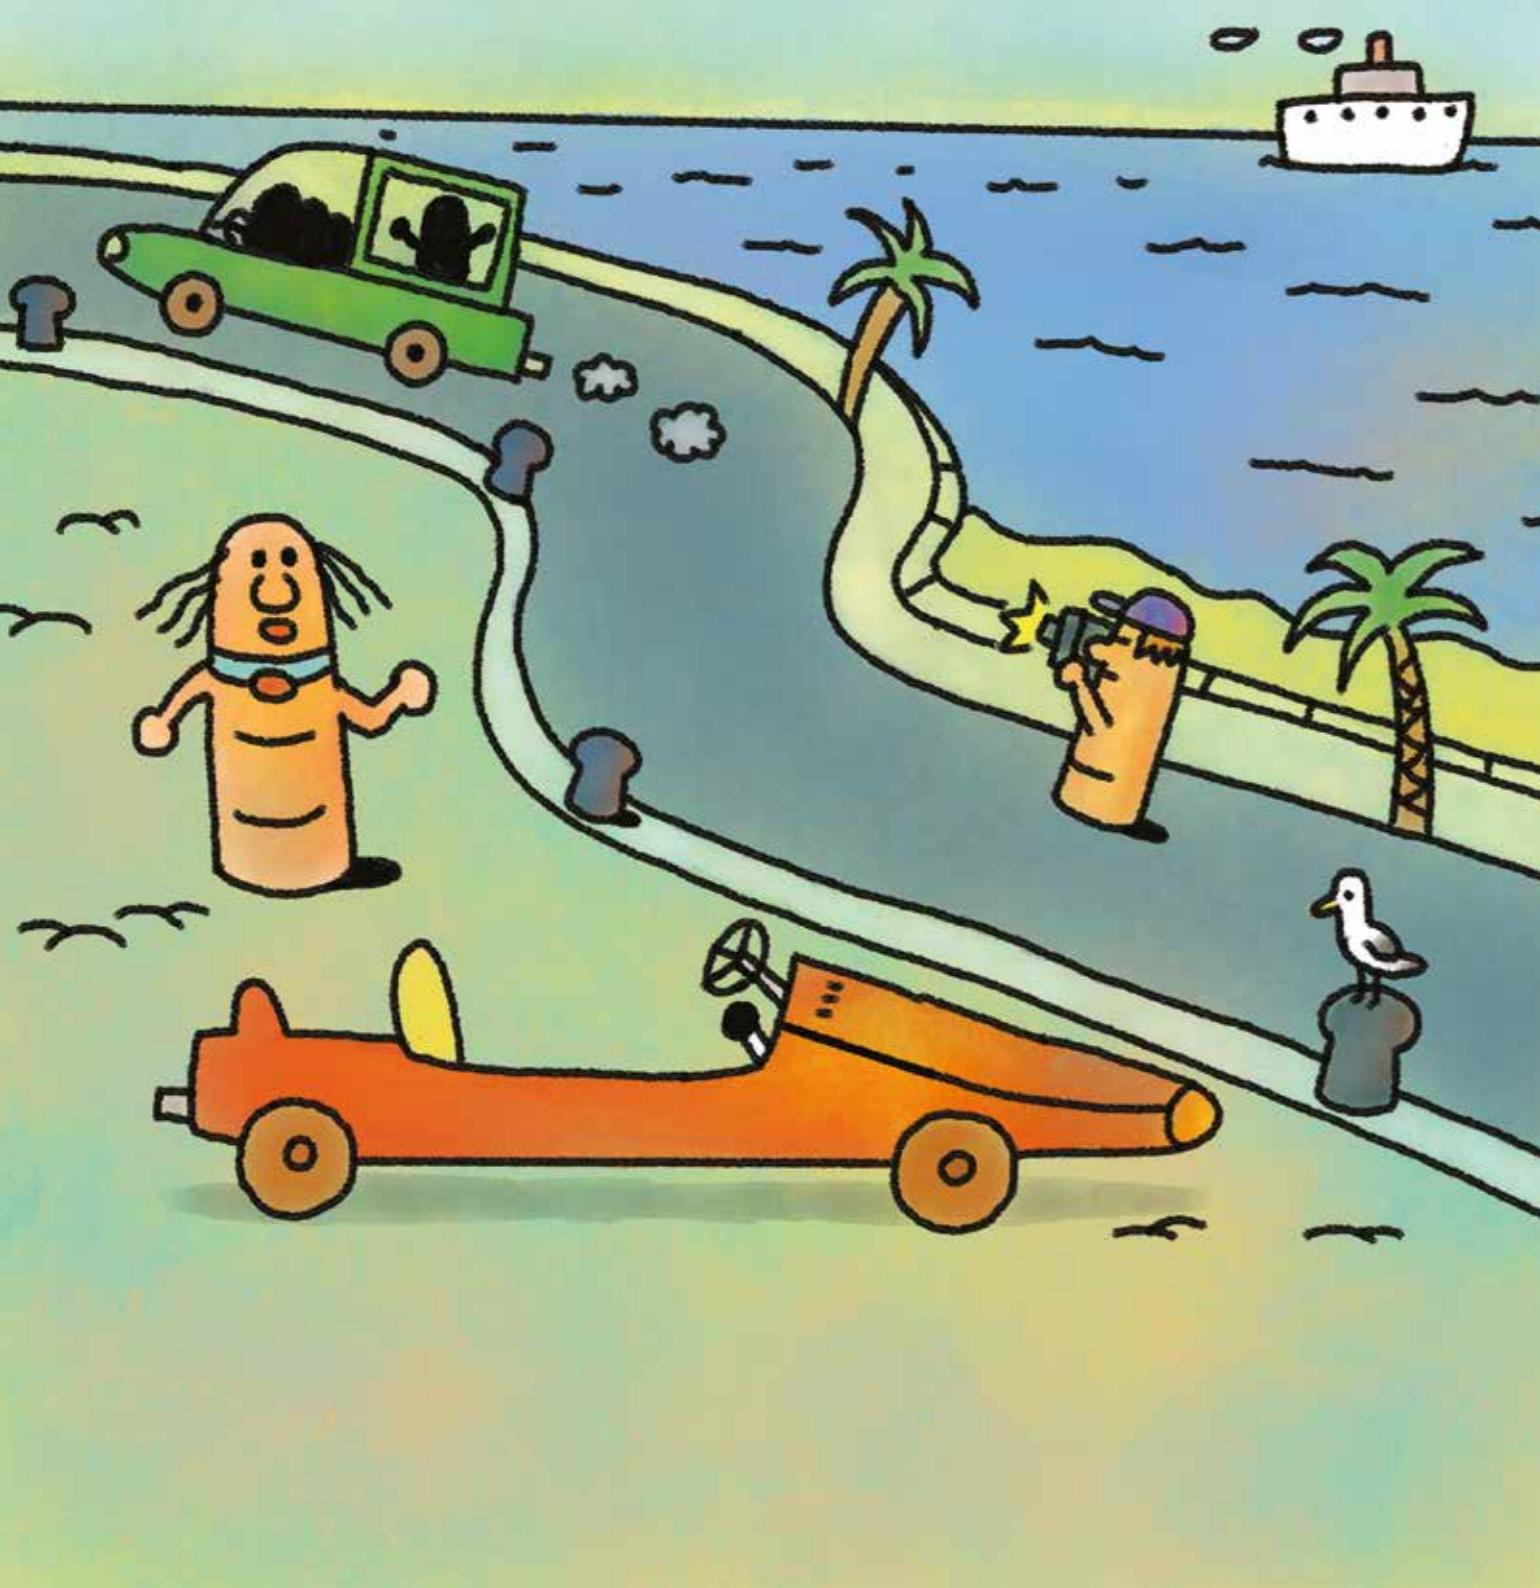

While following this cute giraffe journey toddlers will learn about simple things like colors, numbers, opposites and that things are not always what they appear to be.

With eyes wide open, muzzle in the air, Josephine is out and about. She goes up, then down, above and under: there is so many things tiny or big that she wants to admire.

This cute yellow giraffe, just like toddlers, is fascinated by everything that surrounds her, and she can't stop wondering about colors, shapes and differences.

This board book will introduce toddlers to simple notions while keeping them very entertained.

# THE MAGIC BUTTON OF PROFESSOR RABBIT

SERIES

ANTONIN LOUCHARD

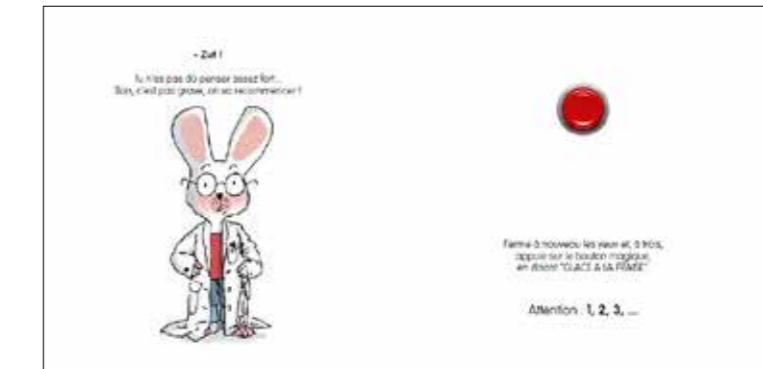

AUGUST 2022

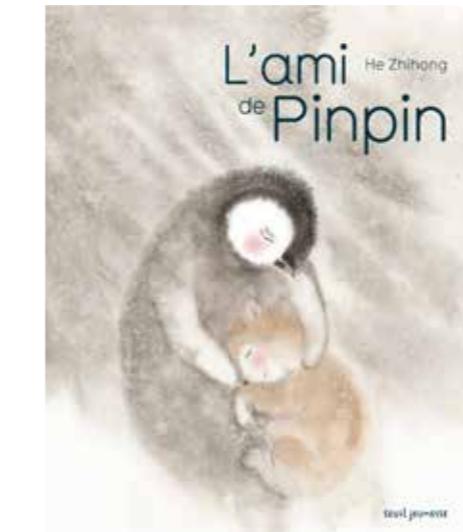

180 X 180 MM – HARDBACK – 40 PAGES – €8.90

This book is magical. Yes, yes, honestly. You don't believe it? Turn the page, and you'll see...

Professor Rabbit does not own a magical lamp like Aladdin, he has something better: a big, red, round button. You just need to close your eyes counting to three before pressing on it while thinking very strongly of your most cherished wish. And ta-da! It comes true. Crazy, isn't it? Now, beware, the button is somewhat temperamental, and you really need to focus, otherwise, it can easily flip out...

This interactive little picture book with a light tone and full of humour will speak efficiently to the young reader who will hasten to turn the pages and discover the coming surprises! A book to read endlessly.

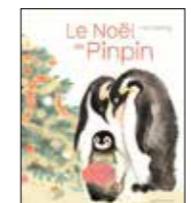

#### SELLING POINTS:

- A very tender picture book to read with the whole family.
- Moving illustrations made with watercolours.
- Friendship, kindness and openness to others: essential subjects to treat with the little ones...
- *Pinpin's Friend*: fourth title on a series which started in 2018 with *Pinpin's Back at School*.

#### BY THE SAME AUTHOR:

## PINPIN'S FRIEND

ZHIHONG HE

FEBRUARY 2022

210 X 260 MM – HARDBACK WITH ROUND CORNERS – 32 PAGES – €13.90

On his way to fly his kite, Pinpin hears someone sobbing behind a tree... Who could be so sad? Will Pinpin be able to comfort them?

As Pinpin is on his way to fly his kite, he hears someone sobbing behind a tree. When he gets closer, he discovers a small dog shaking with fear. The poor animal has been chased away from his pack because his two eyes have different colours. Whereas everyone rejects the little dog, Pinpin is moved by his pain. He will shelter him inside a cave, and that will signal the beginning of a great friendship.

This beautiful picture book, with tender and delicate illustrations, touches on essential subjects to treat with the little ones: generosity, empathy, and openness to others.

## SELLING POINTS:

- A picture book to laugh at impatience (and perhaps to learn how to be patient), this widespread evil in a world where we have become used to everything going faster and faster.
- Second picture book by Marjolaine Leray (author and illustrator of *Un petit chaperon rouge* for Actes Sud, 15 000 copies sold in France) and Marie-Sabine Roger, renown children's literature author after the success of *L'Affaire méchant loup*.
- The delightful drawing style of Marjolaine Leray.

# THE GREAT GRRR...

MARIE-SABINE ROGER, ILL. BY MARJOLAINE LERAY

MAY 2022

200 X 280 MM – 40 PAGES - €12.90

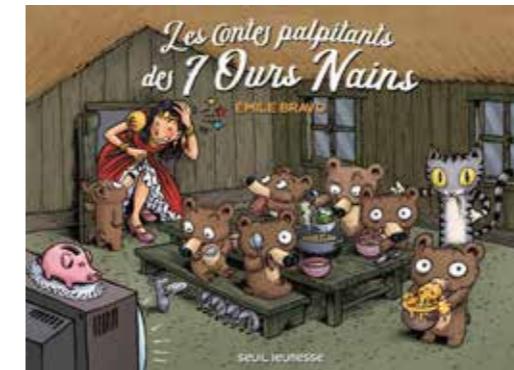

A picture book that gives body to impatience for our greatest joy !

*"One early Monday morning, the great Grrr parks his truck in front of a nice house. He is bringing a small package. A small beribboned package. The great Grrr rings. Not loudly enough apparently : nobody hears him". Minutes go by, it starts raining, and patience is not our great Grrr's strong suit...*

Figure of the impatience that swells, grows and becomes destructive, our great Grrr will entertain children as well as adults with the disproportionate nature of his anger. In a time where we are no longer accustomed to waiting, where everything goes faster and faster, this picture book reminds us that waiting can sometimes bring beautiful surprises and encounters, and that we sometimes need to tune to the rhythm of others and take our time.

The delightful text by Marie-Sabine Roger, who likes to play with words as well as to coin new ones, is beautifully illustrated by the exuberant, funny and effective drawing style of Marjolaine Leray.

## THE THRILLING TALES OF THE SEVEN DWARF BEARS

## SELLING POINTS:

- An original picture book made with sand.
- Élodie Bouédec: an artist with many talents.
- This picture book full of mysteries makes us jump right into the freshness of childhood!

# BEHIND THE ROCKS

ÉLODIE BOUÉDEC

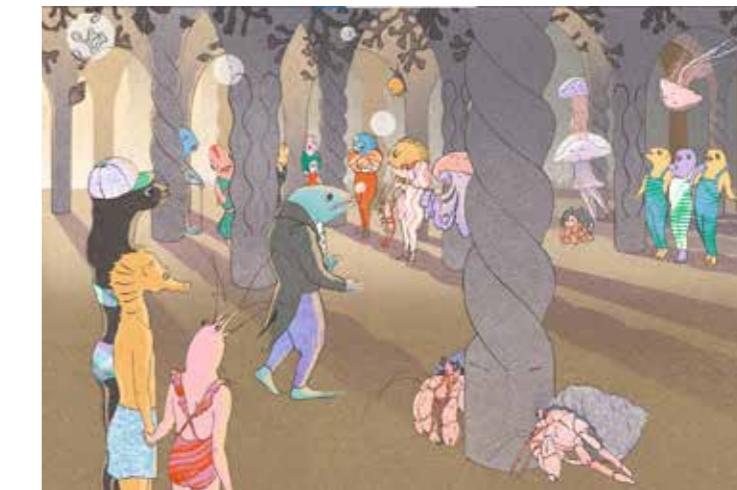

JUNE 2022

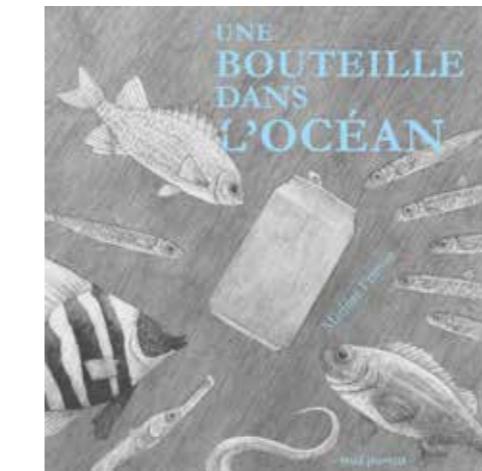

230 X 310 MM – HARDBACK – 56 PAGES – €14.90

Six children meet up on a beach and decide to go on an adventure. For this, nothing could be simpler: they just need to see what happens on the other side of the rocks and prepare to be surprised.

Summer is back on the small beach in Brittany, and all you hear are the joyful screams of children. For the six friends, it is finally the holidays and the time to meet again: the ice creams melt through the fingers, and they all dream of adventures. And for that, there's no need to go too far: they just need to climb the rocks to see the world in a different light and discover mysterious places and encounter colourful characters. A picture book full of fantasy in which dreams, the imaginary and the real are intimately linked...

This picture book was written and illustrated by Élodie Bouédec. To create her images, her main graphic tool is sand, which gives a very particular colour to this dreamlike picture book filled with the traces of childhood.

# A BOTTLE IN THE SEA

MATHIAS FRIMAN

MAY 2022

300 X 300 MM – HARBACK – 32 PAGES – €15

The drifting of a soda can at the bottom of the ocean, or the journey of a discarded piece of rubbish in the sea.

*"I thought I would discover the sea and the cities of its inhabitants, but what I saw instead is what we do to the ocean".*

A can is carelessly discarded to the sea and begins a long journey.

As we travel from page to page in silent scenes, we discover the ecosystems devastated by sea pollution. Rubbish is more and more present, inhabiting the oceans alongside its usual wildlife; even in the abyss.

In this powerful picture book – with very few words but extremely beautiful images – a strong message is conveyed about the ecological tragedy we are currently witnessing. An essential book to put in every child's hands.

# TEX THE TERROR

# WHERE DO STUFFED ANIMALS GO WHEN THEY DIE ?

GILLES RAPAPORT, ILL. BY LAURENCE SALAÜN

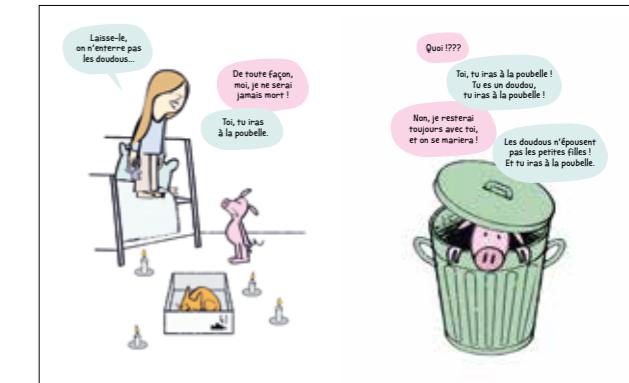

MARCH 2022

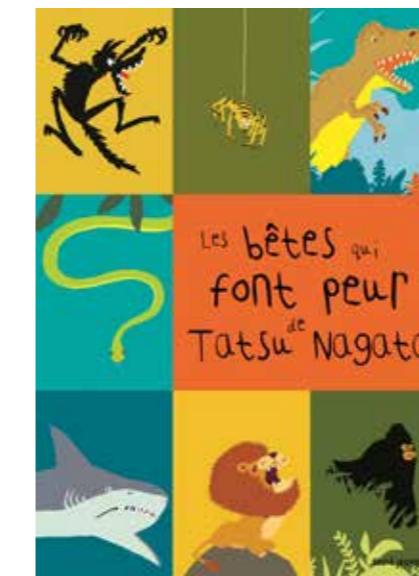

155 X 200 MM – HARDBACK – 40 PAGES - €9.90

A dialogue between a little girl and her stuffed animal: Calvin and Hobbes for younger children.

Every morning, the little girl wakes up in her room and starts a discussion with her stuffed animal, a little piglet who is never at a loss for words. He is funny and impertinent. Exasperating at times. He has a knack for always asking the difficult questions: why don't stuffed animals grow up? Can they at least marry little girls ? And when they die, where do they go? What do you mean in the bin?

One thing leading to another, in a light and sometimes hilarious dialogue, fundamental questions come up. The piglet is a little Socrates who, taking up the role of the philosopher, tackles the thorny issues in order to question the great mysteries of our world.
